Atle works primarily with banking and finance issues. He regularly assists Norwegian and international banks and financial institutions with various forms of financing, including project financing, refinancing and acquisition financing, green and sustainability linked loans, as well as restructurings, involving a wide range of industry sectors such as shipping/offshore and energy.

*He is pragmatic, finds good solutions for all parties and handles the logistics very well.*

**Chambers Europe, 2023**

## Industry expertise

Banking and Finance  
Renewable energy  
Shipping and Offshore

## Areas of practice

Financing  
Oil and Gas  
Restructuring and Insolvency  
Maritime and Transportation

## Selected projects

### E&P financing

Assistance in connection with several significant E&P financing arrangements, such as the three first Norwegian law governed reserve-based lending facilities, including acting as the lender's counsel in the USD 4bn facility to Aker BP ASA.

### Renegotiations/restructuring

Assistance to a bank group in connection with the renegotiation/restructuring of a Norwegian supply vessel shipowner.
