Mr. Hauge specializes in shipping and offshore - with emphasis on dispute resolution in maritime law, contract law and the law of damages. He covers a wide range of business law, including company law, contract law and administrative law, and is ranked in both Chambers Europe (Shipping: Dispute Resolution) and Legal 500 (Leading Individual Maritime Law). Hauge is also used as arbitrator and is passionate about promoting NOMA as transparent, pragmatic and cost-effective dispute resolution.

He has a high level of knowledge and is very service-minded. He combines legal expertise with operational and technical knowledge.
