Fatima Dahri specialises in contract law, litigation and dispute resolution. Her main areas of expertise are onshore construction and offshore fabrication and dispute resolution within these disciplines. Fatima has wide experience in handling large and complex cases for both Norwegian and international clients, and works with all kinds of dispute resolution. She also has considerable experience in drawing up and negotiating contracts. Fatima is a member of the board of Ungt Entreprenørforum (Young Construction Forum – a forum for young professionals in the construction industry), and has written articles and held presentations on various topics relating to construction law and dispute resolution.
