Kjersti is a specialist on securities law and framework conditions for insurance and banking. For several years, she worked for the Financial Supervisory Authority of Norway and she has been responsible for the development and interpretation of rules of conduct and framework conditions for investment firms and management companies. Chambers and Partners have ranked Kjersti as one of Norway's foremost experts on financial regulatory law. In addition, she is also ranked as one of Norway's leading lawyers within banking and finance by Legal 500.

*Kjersti Trøbråten is outstanding. She is the lawyer you want as your adviser for regulatory issues and dealing with the authority.*
