Stian works primarily with securities law and regulatory matters related to the financial industry. He advises regulated entities on all aspects of financial regulatory law, including application for licenses and general company law. He also assists on transactions involving regulated entities. Clients include banks, investment companies, management companies and insurance companies, with more. Stian has working experience from the Parliamentary Ombud and as in-house lawyer in Nordea Bank and Nordea Funds. He also holds a master's degree in law (Mjur) from the University of Oxford, focusing on Financial Regulation. Stian has published a paper on judicial review in Norway and Italy (University of Oslo, Faculty of Law, 1/2011). Stian is currently on a leave of absence.

*Stian Endre is a knowledgeable lawyer who communicates his advice clearly and in responsive fashion.*
