Simen's practice focuses on capital market transactions, general company law and securities law. He has considerable experience with assisting Norwegian and international companies and managers in connection with listing processes on the Oslo Stock Exchange and Euronext Growth. Simen also provides advice on acquisitions of listed companies, public offerings, private placements and other transactions. He has international experience from working with capital market transactions in a leading international law firm. Chambers and Partners and IFLR1000 have ranked Simen as one of Norway's most prominent experts on stock exchange and securities law. He is also ranked as one of Norway's leading lawyers on share issues and stock exchange listings in the Norwegian Financial Daily's annual lawyers survey.

He is a very strong and experienced capital markets lawyer.

Chambers Global, 2024
