Tom Rune works mainly with real estate, with emphasis on transactions and financing, and operation and development of commercial real estate. For many years, he has assisted major financial and operational players in the commercial real estate market with acquisition, sale, structuring, management and strategic advice. He is also the author of several articles on his areas of expertise. Chambers and Partners, Legal 500 and the Norwegian Financial Daily have ranked Tom Rune as one of Norway's most prominent experts on real estate.

Tom Rune Lian holds a leading position within real estate in Norway. Always hardworking, always available, seeking solutions, and having an easy-going communication style that works perfectly with the Norwegian business culture.
